President's Remarks

Dear SSC Members,

This May wraps up this board year, which has flown by. Many of our board members are moving and we have several new board members taking over next year. I just want to thank all our members for such a fantastic year, and I want to thank our returning members for carrying on the Shaw Spouses' Club. Without the support of our members this club would not have been possible.

Cristina took on the task of organizing our scholarship program for this year. This is such a huge and important part of our organization and with her at the helm, or rather in the cockpit (pilot joke!), we were able to award several students with support for schooling!

Thank you, Cristina, for serving our club and our community!

I create all the lovely graphics and flyers that you have seen this year to advertise our activities. I am untrained, but think it worked out okay. I also enjoy adding some comic relief to your life which is why I'm writing my own spotlight. 😊

Thank you for the opportunity to pat myself on the back!
